105th Annual Convention of Rotary International

**1 - 4 June, 2014
Sydney, Australia**

You are invited to join us as we travel to the 105th Annual Convention of Rotary International in Sydney, Australia from June 1-4, 2014. It has been eleven years since the convention has been Down Under, and the time has never been better to explore the beauty, cultures and history of this region.

Our programs have been designed to give you freedom and flexibility of choice. From short tours that are economically minded, to deluxe programs designed for experienced travelers, we have offered you a wide range from which to choose.

Howard Tours, which is owned and operated by Rotarians, has been taking Rotarians to the Rotary International conventions since the early 1950's. Literally tens of thousands of Rotarians have traveled with us. We hope that we have included something that you would like to see and do in the following materials.

Thank you for your interest.

A handwritten signature in black ink that reads "Brad Howard". The signature is written in a cursive style and is underlined.

Brad Howard, President
Howard Tours

Welcome to Howard Tours

Howard Tours was founded in 1948 by Joe Howard, Past District Governor of what was then known as District 517, which includes California's Silicon Valley. We remain a Rotarian owned and operated company, now headed by Brad Howard, also a Past District Governor of District 5170. Our manager, Jolene Bortz, is a Past President of Oakland Sunrise Rotary Club.

Howard Tours is a primary tour operator and not a travel agency. We do not sell to the general public. For our Rotary programs, we select and purchase our services from the airlines, hotels, sightseeing companies, etc. and then sell the tours directly to Rotarians attending the convention. We do not purchase tours from other wholesalers and resell them as our own. Nor do we "repacked" tours designed for other clients and call them a tour for Rotarians. As a result, we offer superior travel service at a greater value. Howard Tours has operated professional, educational, and other specialized programs, such as this one for Rotarians, since our inception.

In addition to providing tours to the International Conventions since 1950, Howard Tours has been an innovator in developing humanitarian travel programs that give Rotarians first hand experience in world understanding and peace. These include participation in National Immunization Days in Africa and India, the delivery of wheelchairs to those in need, humanitarian grant site visits and many other humanitarian travel programs.

By law, Howard Tours cannot and will not use these funds for purposes other than to defray the program costs. While the money is in the bank, Bank of America and NOT Howard Tours, is custodian of the funds. When the travel service companies are paid, Howard Tours will have met its financial and trustee obligations for the travel services involved.

Prices do NOT include: (1) All airfares; (2) Passport and visa fees, if any; (3) Airport departure taxes; (4) Government taxes, or airline fees (e.g., baggage fees); (5) Insurance; (6) All personal expenses, (e.g., phone, laundry, etc.); (7) All health and medical services, and related expenses; (8) Refunds for missed or unused services; (9) Accommodations in excess of the nights listed in the itinerary; (10) Accommodations and all other services in Sydney during convention; (11) Rotary International convention registration; (12) Overnight delivery fees or delivery fees for clients outside the continental U.S.; (13) Meals not specified in the itineraries; (14) Airport/hotel transfers, unless noted in itinerary. (15) Bank charges incurred by use of a credit card to make final payment.

Conditions of Prices: Prices are based on airfares, taxes and the relative value between the U.S. dollar and the currencies of the countries listed when tours are priced and the folder printed. If the exchange rates, airfares, taxes or other travel costs change, or if the minimum size of the group is not achieved, the traveler may be assessed any extra charges or refunds. By joining this program, you acknowledge that travelers may be charged additional sums by the airlines, and therefore Howard Tours, to offset increased fees, fuel surcharges, taxes, fluctuations in foreign exchange markets or any combination thereof, and therefore you consent to any post-purchase price increases. Howard Tours accepts Visa or MasterCard for final payment. However, all credit card payments are subject to a 5% fee to pay for bank charges.

Changes of Itinerary: Howard Tours reserves the right to change the itinerary or services for reasons which may be out of our control, (e.g.,: airline schedule changes, number of people who join a tour, natural disasters, etc.) If changes are necessary, the traveler may be assessed any extra charges or refunds.

Cancellations & Other Charges: Cancellations must be made by letter, E-mail, or fax and NOT by telephone. Partial or total cancellation of tour services, regardless of reason, are subject to: (1) Funds that may be withheld or imposed by the airlines, hotels, cruise lines, sightseeing companies, etc.; (2) A per person Howard Tours' cancellation service fee, prorated before departure, as follows: \$300 up to 46 days before departure, & \$500 within 45 days of departure. Cancellations within 14 days of departure are fully non-refundable. Travelers whose changes result in rewritten air tickets will be charged whatever penalties the airlines may impose, & a Howard Tours \$50 service fee. Those applying within 45 days of departure will be assessed extra expenses caused by late enrollment, with a minimum charge of \$50 per person.

Because the airlines, hotels, etc. impose heavy cancellation fees, we recommend the purchase of "Cancellation Insurance," which is available through Howard Tours.

Responsibility Clause: Howard Tours and Travel Service, Inc., d.b.a. Howard Tours, of Oakland, California, operates these programs as an agent for the travelers who join them, and for the various companies that perform services on land, sea and in the air. Individuals apply for membership and are accepted in these programs on the conditions that Howard Tours and its officers will not be responsible for and irregularities, omissions, acts, events, or for any additional expenses due to delays, strikes, military action, riots, airplane hijacking, civil disorders, losses, injuries, sickness, damage, political action, and/or other matters related to any personal or property involving any facility, transport services, personnel and/or activity in the operations of this program. Because Howard Tours has no control over flights, sailings, rail schedules, and connections between flights, Howard Tours does not accept any responsibilities for these services. Air tickets, and the related tariff conditions filed with the Civil Aeronautics Board, constitute the sole contract between the airline and the purchaser of the travel program.
